

# bioForce Liquid™

## Bacterial Waste Liquefier

### DESCRIPTION

**bioForce Liquid™** utilizes the powerful waste digesting abilities of special bacteria. This blend of bacillus bacteria strains (facultative anaerobes) are cultured for their superior ability to digest and liquefy all organic waste – **quickly, efficiently and without odors!** Works to eliminate drain blockages, odors and surcharges for food processing facilities.

The multi-enzyme producing microbes work quickly to break up grease, fat, starch, carbohydrates, and plant fiber waste, reduce sludge build-up and lowers the BOD in the effluent wastewater.

**bioForce Liquid™** is ideal for use in septic tanks, grease traps, food processing plants, bakeries and wastewater treatment facilities to eliminate odors. Regular injections are recommended to maintain peak effectiveness.

### APPLICATIONS

#### For use in:

- Grease Traps
- Septic Tanks
- Drain Lines
- Cesspools
- Municipal Sewage Treatment Plants
- Sludge Digesters
- Portable Toilets
- Lagoons

<u>Area</u>	<u>Dosage</u>	<u>Frequency</u>
Kitchen Drain	2oz per inch diameter of drain	Weekly or as needed
Laundry Drain	2oz per inch diameter of drain	Weekly or as needed
Bathroom Drain	2oz per inch diameter of drain	Weekly or as needed
Septic Tank	2 to 6 oz.	Weekly or as needed
Grease Trap	25 to 500 gallons	8 to 10 oz. daily or as needed
	501 to 1000 gallons	18 to 20 oz. daily or as needed
	1001 to 1500 gallons	40 oz. daily or as needed

### BENEFITS

- Grease digester and waste degrader
- Eliminates organic waste and odors
- All natural – safe to use
- Reduces accumulation of grease in tanks and drains
- Environmentally friendly
- Non-toxic
- Non-caustic
- Non-corrosive

### PACKAGING

**bioForce Liquid™** can be private labeled and packaged for sale as your own private brand.

- 12 quarts per case
- 4 gallons per case
- 5 gallon pail
- 55 gallon drum

# bioForce Liquid™

## Bacterial Waste Liquefier

### TECHNICAL DATA

#### TYPICAL PROPERTIES

Appearance	White liquid
Fragrance	Pleasant mint fragrance
Shelf Life	2 years
Flash Point	None

#### OPTIMAL PERFORMANCE RANGE

pH	6.0-9.0
Temperature	55° to 105° F

#### STORAGE AND HANDLING

Storage	Store in cool, dry place
Handling	Avoid inhalation, wash hands thoroughly with warm, soapy water after handling. Avoid eye contact.

#### BACTERIAL COUNT

BioForce Liquid™	200 Billion per gallon
Contents include	Multiple strains of Bacillus spores
